

Innovations in Windows and Doors Manufacturing

Thursday, June 8, 2017

10:00am – 3:00pm

Biesse Canada, Montreal, QC

Join Biesse and Rangate for an educational seminar and demonstration event designed to introduce and explain the proven techniques for manufacturing North American solid wood windows and doors. If you manufacture windows and doors for the North American market, you don't want to miss this seminar. We will provide you with unsurpassed manufacturing solutions to styles and joinery techniques designed to increase productivity, accuracy, quality output and flexibility! Seating is limited so register today to secure your spot!

Date: Thursday, June 8

Time: 10:00am – 3:00pm

Location:

Biesse Canada

18005 Rue Lapointe

Mirabel, QC J7J 0G2
