

Biesse Canada is Expanding

Biesse Canada is expanding and we'd like your input:

We are currently looking for Area Managers in British Columbia and Alberta.

Minimum 2 years selling in the Secondary Woodworking Industry, preferably CNC machines. We prefer someone coming from this industry but would consider candidates with a parallel path of experience like hardware, wood supplier, tooling, software etc as long as they are related to this industry.

We offer:

- Competitive compensation with aggressive commission plan
- Car allowance or company car
- Company paid Insurance Plans (Medical, Dental and Disability) for employee and family
- Vacation, Sick and Holidays available

If you know of any candidates who qualify please contact Michelle Landry, responsible in our HR Department for this search at: michelle.landry@biesseamerica.com direct line 704.625.1025.

All information will be treated confidentially and your name will be not released once we contact the candidate.

Thank you,
