

TORONTO, ON  
OCTOBER 18-22, 2022

# WOODWORKING TECHNOLOGY DAYS

## 5-Day Industry Event with leading distributors

Don't miss the third edition of the WTD! This is your opportunity to visit eight different showrooms and get an excellent overview of the latest technology available from world leading manufacturers. Join us for LIVE demos, consult with industry experts and find valuable solutions for today's market. No other show or single event in Canada presents such a wide display of equipment and technologies.
